**"Slow Down, Be Still"**

*God could easily amaze us with loud, imposing demonstrations of His power, though most of the time He doesn't. Instead, He whispers – gently, quietly, softly.*

*Perhaps this is because He knows that in our chaotic World, what we need most from Him is peace and He doesn't want to force it upon us. He speaks to those who sincerely want to hear, who make the effort to hear.*

*And, it does take effort. It means striving to mute the noise in our lives, to clear the clutter from our minds and the pride from our hearts. It means seeking sacred moments alone with the Lord.*

*Simply stated, if we slow down and be still, we will know that He is God.*

**Judy Note:** It was the final hours. The Global Currency Reset was unfolding across the Globe, and Military assets have been positioned around the world awaiting a go signal.

De-Nazification Special Forces from more than 17 countries have been cleaning up the tunnel systems. These brave Super Soldiers were the Pedo Nazi Hunters and the Ukrainian Nazis had been planning murders of Russians living in Germany and working with certain German Nazis to do it.

Now in the final hours of the Ukraine/Russian war, the Ukrainian Nazis forces were holding their own Ukrainian citizens as hostages and human shields in the Azov Steel Factory. The Special Forces storming of Ukraine's Azov Steel Factory has begun.

With implementation of the GCR and Quantum Financial System, we have:

- **Freedom from Criminal Cartels**, a small number of evildoers directing harm on billions ends.
- **Freedom from the Communist threat** presently underway becomes impossible.
- **Violence** no longer will be funded.
- **Ends the ability of all criminal enterprises** to operate outside of the law.
- **All digital currency, Bitcoin, all of the currency of this world, regulated**, under a common law, with no possibility of perverse acts.
- **Massive arrests immediately begin** once the final codes are in. This is happening and can't be stopped.

#### A. The Global Currency Reset:

- **The Global Currency Reset** officially rolled out on **Sun. 1 May**.
- **As of 12:55 pm EST on Wed. 4 May 2022 and in a Shotgun Start**, the new Quantum Financial System began syncing every bank and country's currency in the World to revalue into a Gold/Asset-backed System.
- **We expected Tier 4B** (us, the Internet Group) to be notified to set redemption/exchange appointments **by Wed. 4 May, Thurs. 5 May or Fri. 6 May** – with appointments beginning that, or the next day, according to Bruce.
- **Wed. 4 May MarkZ: "Weeks ago** I was told to watch for a new rate between **Thurs. 5 May and Sat. 7 May**. Now it looks like it's between **Sat. 7 May and Tues. 10 May**. Military contacts were squarely looking at **mid –May**. They are expecting huge changes over **the next week and a half**."
- **On Tues. 3 May** some bond holders received codes for their accounts, but their accounts weren't activated and likely wouldn't be until Tier 4B received their appointments, according to Bruce.
- **Tier 1 and Tier 2** have already been paid out, according to Bruce.
- **Tier 2** (the Whales who have already received 15% of their monies) have already paid off our national debt, plus were paying for NESARA out of the remaining 85%.
- **Tues. evening 3 May MarkZ:** "We have had two very solid confirmations from **Tier 3** that they received small bank wires (compared to what they are owed). They were Test

Wires, and that tells us (imo) that real money has started moving in **Tier 3**. This is exciting. I think this is fantastic news.”

## **B. Restored Republic Apparent Schedule:**

- **We Are Inside the War of the Century.** Buckle up, Butter Cups. Nothing Can Stop What's Coming. WWG1WGA! ...White Hats
- **Last week:** Poultry and turkey farms in Iowa and 28 other states from Maine to Utah were destroyed due to “Bird Flu” – therefore contributing to the food shortages.
- **Sun. 1 May Global Currency Reset rolled out. Declass:** Fox News release info on 2020 Election Fraud.
- **Mon. 2 May Declass:** Roe vs. Wade overturned leaked out, Disney Secrets exposed: Underground Tunnels & Cages/CIA Drug & Human Smuggling and connections to Occult Pedo Epstein Island.
- **Tues. 3 May Declass: Big Pharma fraud** – birth abnormalities experienced by pregnant female soldiers following the Pfizer vaccine. Doctors that concluded the vaccine to be safe were employed by Pfizer or owned shares in BioNTech. **Not reported in MSM, though alternative media released that** banks reported that a recession was coming, the US largest bank, the Bank of America, was in a collapse as was Europe's largest bank, Deutsche Bank, while thousands of banks across the Globe were being closed or bought out.
- **Tens of thousands of small banks** close across the world
- **Wed. 4 May Orange Man (President Trump):** Russia wanted (the Russia/Ukraine War) to finish by **May 6**. Well 2 days ahead. **May the Fourth** (Force be with you). Same Day Nazi's in WW2 Surrendered. We are on a Loop. White Hats are in control.
- **Wed. 4 May to June 3rd is 30 days.** June 3rd was lizards Platinum Jubilee (The People's Jubilee instead maybe). Done in 30. This would also align with Protocol 19 at beginning of June (perhaps after the 3 day blackout for flip. 3-6 June). ...Whiplash347
- **Thurs. 5 May** Canada scheduled Emergency Broadcast System test.
- **Thurs. 5 May** GCR funds available to all tiers.

- **Wed. 11 May (5.11)** 2 Year Delta coming up Q4211: We are ready to unleash hell. Memes ready? Q <https://qposts.online/post/4211>
- **By Fri. 13 May** Biden would be out, Trump would be in as US President.
- **Sometime from Wed. 4 May to Wed. 18 May** NESARA would kick in.
- **Former U.S. President Donald Trump's Truth Social App** will launch on a web browser at the **end of May**, Chief Executive Devin Nunes said on Monday.

## **C. Wed. 4 May 12:55 pm EST Fleming:**

- **As of 12:55 pm EST on Wed. 4 May 2022 and in a Shotgun Start**, the new Quantum Financial System began syncing every bank and country's currency in the World to revalue into a Gold/Asset-backed System.
- **This was the Shotgun Start that brings NESARA GESARA to the world.**
- **The US Treasury becomes obsolete.** The QFS can't be stopped.
- **Any second, any minute, once the QFS was synced**, every bank in the world would be online and every country has to revalue their currency.
- **Once each Central Bank** was informed by the QFS what their specific code was, they had to respond.
- **If the Central Bank did not comply**, within hours they would be visited by a Security Team and codes would be entered.
- **The System knows who the criminals are.** Mass arrests would immediately follow once the QFS was synced and the last code was entered.
- **The QFS tells the Nation States** exactly what their rate was.
- **This would happen fast.**

#### **D. Global Food, Fuel and Goods Shortages:**

- **France** claims a record 16 million birds (chickens) have been destroyed during an outbreak of Avian Flu.
- **US: Last Saturday 30 April** another food processing plant caught fire in Chesapeake, Virginia, amid a series of mysterious accidents at food processing plants occurring across America **in the last week**. The latest incident occurred at the grain processing plant Perdue Farms, where employees of the company found a burning tank with soybeans. Preparations for the global food crisis are in full swing and in a variety of ways.

- **Those Vaccinated against Covid-19** have been advised to refrain from flying due to the risk of blood clots.
- **They're going after our children:** <https://resistthemainstream.org/10-more-states-report-mysterious-hepatitis-outbreaks-in-children/>
- **Vaccine Study Of 23 Million Shows Risk Of 'Heart Problems' From Moderna Or Pfizer Jab.** Epidemiologist Professor Rickard Ljung of the Swedish Medical Products Agency studied health data on a total of some 23.1 million people from Denmark, Finland, Norway, and Sweden from late December 2020 to early October 2021. The team identified 1,077 cases of myocarditis and 1,149 of pericarditis. Examining those subjects who had been jabbed, the team found that the likelihood of developing myocarditis was higher following a second dose of the mRNA vaccine. Specifically, the risk increased by 75 percent with BioNTech/Pfizer and 557 percent with Moderna. Moreover, the team found that myocarditis risk following two jabs was highest for young men between 16-24 years of age.
- **Trump put Fauci** center stage to expose the truth.
- **[FAUCI]** covered up of HIV being a Bioweapon in the 80s
- **[FAUCI]** covered up the real treatments for the HIV
- **[FAUCI]** covered up for the fake HIV treatments that killed people
- **[FAUCI]** covered up cancer virus that infect vaccine stock piles across the World
- **[FAUCI]** created the Gain of Function in Covid-19 and proceeding strains.
- **[FAUCI]** created the Vaccines
- **This isn't the first time Fauci** is involved in Pandemics and is directly connected to the world Elites who all help fund him.
- **Exposing Fauci** is exposing the people behind the scenes: NIH, CDC, WHO, Gates, GPMB, CIA, Clintons, Obama, World Leaders who covered for Big Pharma Companies and are directly involved in investments.
- **The staggering effect of who is behind the Pandemic** and banking system and world compromised leaders are all tied back to blackmail: Epstein, Mossad, Five Eyes

#### **F. Protests and Riots:**

- **Last night** in Los Angeles, ANTIFA smashed up Department of Homeland Security vehicles at a pro-abortion riot.

#### **G. The Real News for Wed. 4 May 2022:**

- **Military Assets Now Positioned Globally Awaiting Go:**  
<https://beforeitsnews.com/prophecy/2022/05/new-monkey-werx-overwatch-military-assets-now-positioned-globally-awaiting-go-brighteon-interview-2530264.html>
- **De-Nazification Special Forces** from more than 17 countries clean up the tunnel systems. These brave Super Soldiers are not seen on MSM. These are the Pedo Nazi

Hunters. Storming of Azov steel factory has begun. No one who has participated in war crimes and crimes against humanity will survive. It is the final hours.

<https://t.me/SpecialQForces/21895?single> <https://t.me/SpecialQForces/22132>

- **Ukrainian Nazis are planning murders of Russians living in Germany and Germans who sympathize with Russia in Telegram groups.** Organizers and participants of the pro-Russian motorcade in Berlin are at risk. Both car license plates and personal data are already being actively exchanged among Ukrainian Nazis. There are calls to seek out these people and execute them on camera. We recommend that those affected contact the relevant security authorities with reference to this article and, if necessary, request police protection.
- **Human DNA has been found in US food processing plants**, thirteen of which were torched last week – believed happened in order to cover up evidence; Human DNA has also been discovered in various brands of hot dogs at the stores; McDonalds was under investigation for child body parts found in their meat processing plants; Cabal was thought to be adding mRNA Tech to our food supply and we were in a high priced food supply shortage that appeared created by our own government.
- [\*\*Walgreens publishes data proving that COVID jabs don't prevent COVID\*\*](#), while pregnant women in the Military have been aborting their babies right after being forced to be jabbed.
- **Ukraine doesn't want peace with Russia** because the conflict has nothing at all to do with them, rather it's a full fledged war on Russia by US Inc. Ukraine was the center of their Deep State and contained in it's extensive underground tunnel system (that runs under Biden-owned property), the headquarters for child trafficking, gun and drug running including at least 13 bio-weapon labs that created Covid-19 and other viruses set to be un-leashed on the general public. Biden needed to cover up his dealings in Ukraine.
- **The Russia/Ukraine War** was in reality, Russia Patriots trying to free the Ukrainian People from the Deep State. The Russia Military has already destroyed 13 bio-weapon labs and rescued thousands of children from Underground Tunnels that run throughout the country including under a 20 acre Biden-owned property.
- **The Supreme Court decision to overturn Roe vs. Wade** turned the Abortion Issue back to the individual states to decide.
- **Last week** the Biden Administration announced creation of a so-called "Disinformation Steering Board" which was nothing more than a censorship board. The Mainstream Media already acts as a censorship board. They were impinging on our right to Free Speech.
- **Former U.S. Representative Tulsi Gabbard** (Democrat from Hawaii) believes that Biden is just a figurehead and Barack Obama is associated with the newly created Disinformation Management Council of the Department of Homeland Security, which they called the "Ministry of Truth" from George Orwell's dystopian novel "1984".

- **They're going after our children:** <https://resistthemainstream.org/10-more-states-report-mysterious-hepatitis-outbreaks-in-children/>
- **The global food shortage upped it's anti last week** when in France 16 million birds (mainly chickens) were destroyed during an outbreak of “Avian Flu,” accompanied by another outbreak in America where Poultry and Turkey Farms in Iowa and 28 other states from Maine to Utah were destroyed due to “Bird Flu” – therefore contributing to food shortages across the globe.
- **US: Last Saturday 30 April** another food processing plant caught fire in Chesapeake, Virginia, amid a series of mysterious accidents at food processing plants occurring across America **in the last week.**
- **5.4 under Covid all the Militaries of the world forced** their leaders to sign GESARA MILITARY LAW & that was taken to the Hague International Court Of Justice to be Actioned. We are now going to transition to GESARA – to 1776 Law for everyone on Planet Earth.

- **The BBC has video evidence to suggest new-born babies in Ukraine may have been killed to feed the stem cell trade.** <http://news.bbc.co.uk/1/hi/world/europe/6171083.stm>
- **While the left is currently coming unhinged at the incredible SCOTUS decision on abortion,** let me remind you of their admittance under oath to Harvesting Body Parts From Babies Born Alive!! Larton says that she has seen aborted babies’ hearts “beating independently” after they are born!!
- **To them, abortion isn’t about protecting the rights of women!** Look back at history and the founder of Planned Parenthood (Margaret Sanger, Admired by Hillary Clinton) and her beliefs in the importance of Eugenics and you’ll realize that “women’s rights” are just a front! These babies body parts are a huge money maker for them among other nefarious agendas!!

## **J. 2020 Election Fraud, Donald Trump:**

- **Everyone knows the wisdom embodied** in the saying “those who cannot remember the past are condemned to repeat it.” The WSJ’s May 2, 2022 editorial argues that we should ignore the blatant fraud that took place in Wisconsin in the November 2020 election as detailed by former Wisconsin Supreme Court Justice Michael Gableman in his 136 page Preliminary Report issued on March 1, 2022. To ignore the fraud that Justice Gableman continues to uncover is to allow that fraud to be repeated. Justice Gableman’s Report revealed many illegal and unethical acts including Zuckerberg funded election bribery, illegal ballot drop boxes, and obstruction of evidence gathering. Gableman also revealed that the Wisconsin Election Commission shared access to Wisconsin’s registration system with Zuckerberg funded left-wing activists, disregarded Wisconsin law so that tens of thousands of nursing home residents could be exploited for their votes, and illegally encouraged Wisconsin voters declare themselves “indefinitely confined” under Wisconsin law, thereby avoiding Wisconsin’s voter ID requirements.
- **These issues are far from “ghosts”** as the editorial board claims. Here is a link to the Report (<https://legis.wisconsin.gov/assembly/22/brandtjen/media/1552/osc-second-interim-report.pdf>) so that people can see it for themselves. I encourage everyone to read it.
- **The fact that the WSJ editorial board** came out with this hit piece the day after the nationwide premier of True the Vote’s movie, 2000 Mules, which proves a massive illegal ballot harvesting operation took place in the 2020 election—especially in key battleground counties like Milwaukee County—is also curious. Voters know that unless we fix what happened in 2020, those who stole the 2020 election will try to do it again in 2022. Ignorance is not bliss. Sky high inflation, threats of World War III, and the invasion across our borders are a direct consequence of the stolen 2020 election. What happened in 2020 can never be allowed to happen again!

## **K. Inside the War of the Century, White Hats:**

- **Buckle up, Butter Cups.** Nothing Can Stop What is Coming. WWG1WGA
- **The Biden Deep State wants a war** to cover up Hunter/Joe Biden dealings in Ukraine. A war would insure that Russia takes Ukraine, the current president Volodymyr Zelensky would be removed and the investigations will be ceased.
- **The War in Ukraine** would cover up exposure of the Pandemic and vaccines.
- **The war would continue to be plastered throughout all Media**, Google, Facebook, YouTube, Mainstream Media, Radio, Social Media and create panic.
- **This saturation of the Media** would cover up the Durham Investigation into the Clintons that would lead to Fauci and Obama.

- **The war would** suppress coverage of the Freedom Convoys, cover up missing-laundered Deep State money across the world; create cover for corrupt European countries, presidents, Elites and Banks
- **Unfortunately the war** will bring down exposure of the New World Order (UN, NATO).
- **Currently the 32 Nations Alliance White Hats have Military Generals** in every major country getting ready to rebuff the UN and NATO and their own Deep State Military forces connected to their corrupted governments owned by the Central Banking System and Deep State Cabal.
- **A world lockdown** could ensue after a World Nuclear and Military Standoff.
- **In this time would be great unrest, confusion, riots and protests which would lead to Martial Law.**
- **White Hats Military in every Nation** will arrest their own Deep State officials in government, Media, Elites, Deep State Military – all who colluded in the Pandemic, Vaccine Bio-weapons and betrayed their country by working with the Deep State (DAVOS, Rockefellers, Rothschilds, Gates, World Banks, Vatican, Chinese Communist Party).
- **In the next months expect** the World's largest earthquakes to happen. Don't be surprised if the Deep State sticks to their Alien Invasion, Project Blue Beam Plan, create a large earthquake, and pretend to uncover massive new archeological findings and ancient technology connected to Aliens.
- **This has been their plan all along.** That's why the Deep State Pentagon, Mainstream Media, World Government and Vatican have been pushing the Alien Agenda.
- **Pay attention to the weather and tectonic weapons** being used throughout the world, the volcano explosions, droughts, floods, fires, cyclones, and tsunamis.
- **The White Hat US Military was currently moving anti-ballistic missiles (ABM)** through several states under the cover of night: New York, Iowa, Colorado, California, Florida, Virginia, Oregon, Utah, Texas, Arizona and Montana.
- **The anti-ballistic missile (ABM)** is a surface-to-air missile designed to counter ballistic missiles (missile defense). Ballistic missiles are used to deliver nuclear, chemical, biological, or conventional warheads in a ballistic flight trajectory. The term "anti-ballistic missile" is a term conveying a system designed to intercept and destroy any type of ballistic threat; however, it is commonly used for systems specifically designed to counter intercontinental ballistic missiles (ICBMs).
- **When the U.S, Russia, UK, China, or a large portion of the EU turn off their internet**, or shut down their own grid, that means they are either making a Military Strike, or getting ready for Military attack.
- **Top war analysts predict the first strike** will be a massive Cyber Attack and low yielding Nuclear Bomb (EMP) detonated 1-3 miles above the ground over major Electric/electronic infrastructure and grids.

- **Turning off the electric grid** will save the primary electronics.
- **Turning off the Internet** will insure defense from ongoing Cyber Attacks crashing the systems.
- **These Events will protect White Hat communication equipment**, electronic controlled grids, Military equipment and weapons.
- **Russia has not retreated** from Ukraine as MSM posted two weeks ago.
- **The Deep State Media** was also not reporting that the Chinese Military was in a constant move to their borders.
- **In the past three months the U.S. Military has been searching** vessels, shipping containers and shipping boxes that were off loaded throughout the US, for surface to air missiles concealed in shipping boxes. The East Coast was being heavily searched through major cities and shipping ports.
- **All last year the Deep State has warned of major Cyber-Attacks** that would cause a breakdown of Electrical Grids and Internet. That's because they are planning this in order to cover up exposure of their virus release and vaccine deaths.
- **This was their play book, just like the Great Depression in the 1930s:** You break the economy and then start a world war. Such covered up money laundering and taking over a country's gold and resources.

#### **L. The White Hat Plan Behind the Scene – Private Citizen Elon Musk:**

- **Private citizen Elon Musk** was placed by the Military, Trump and the White Hats for many reasons.
- **The Military can't directly bring out Disclosure** because doing so would bring too much chaos and infighting directly inside the military branches, plus it would go against the Department of Defense Laws.
- **Trump can't directly bring out Disclosure** because doing so would bring too much chaos into the political arenas and cause major divisions inside the Republican Party, plus it would go against Department of Defense Laws connected to high level clearance.
- **Behind the scenes Musk was working on cures found in** high level Military Technology.
- **That Military Technology** was connected to a new formulation of independent governments across the world - governments that could never again be corrupted by a controlled Elite enslavement system.
- **That Military Technology** consisted of future phones and banking, plus putting an end to the production of toxins and chemicals that used sugar.
- **That Military Technology also** connected to GESARA, the goal of World Peace and a full implementation of Events.
- **Musk on War Path:**

- **Musk could easily reach 150 million a tweet just in the US alone because if you have 90 million followers** and you talk shit about the Free Masons on a Tweet, or about the FBI'S involvement in Twitter cover up Biden's Laptop stories, or Ghislaine Maxwell pedo connections to Elites and ALL who were on the LIST in court, or calling out Bill Gates, or letting people post the 30,000 released Pfizer documents on Twitter, those 90 million followers could re-share that information to other platforms.
- **Do you really think** a person with that much power is unprotected?
- **The same goes for Durham.**
- **They both are on the War Path.**
- **But MUSK will make a lot of (PLANNED) mistakes** that will piss off the Heard. That confusion will be needed in the CLOUD OF WAR

#### **M. Russia/Ukraine War By Sorcha Faal:**

- An informative new **Security Council (SC)** report noted that Pope Francis **expressed readiness** to go to **Moscow** in order to meet with **President Putin** in order to discuss a peaceful settlement of the “**Special De-Nazification Operation**” to liberate **Ukraine**.
- **Security Council Deputy Chairman Dmitry Medvedev** factually stating: “**Ukrainian President Vladimir Zelensky** does not need any peaceful settlement...For him, peace is the end...Zelensky in the future will keep begging the West for money and weapons, trying to prove he is still in the game, that he is the hope of the liberal world, that he is the last stronghold of European democracy which a bear in a cotton-padded jacket wants to tear apart”.
- **Director Alexey Danilov** of the **Ukrainian National Security and Defense Council** confirmed as true the statement made by **Deputy Chairman Medvedev** when he said that, instead of a peace treaty, **Kiev** is only prepared to sign a document with **Moscow** that would finalize **Russia's** defeat, and declared: “With Russia we can only sign an act of its capitulation...The sooner they do it, the better it will be for their country.”
- A declaration of lunacy immediately joined by top **President Zelensky** adviser **Alexey Arrestovich** proclaiming like a madman: “**There will be no peace treaty with Russia...There will only be the capitulation of the Russian Federation**”.
- As to why Ukraine doesn't want peace with Russia, this report continues, is because the conflict has nothing at all to do with them, rather it's a full fledged war on Russia by the United States—a factual reality best explained last evening by America's most watched newsman Fox News host Tucker Carlson, who truthfully revealed that “**the Ukraine war is the inevitable end stage of Russiagate**”

#### **N. Roe vs. Wade to be Overturned:**

- In the leaked **draft opinion** that runs 98-pages, including a 31-page appendix of historical State abortion laws, this report details, it is a document replete with citations to previous court decisions, books and other authorities, including 118-footnotes.
- Author Supreme Court Associate Justice Samuel Alito writes in its final ruling: “**Roe was egregiously wrong from the start...Its reasoning was exceptionally weak, and the decision has had damaging consequences...And far from bringing about a national settlement of the abortion issue, Roe and Casey have enflamed debate and deepened division...The Constitution makes no reference to abortion, and no such right is implicitly protected by any constitutional provision...The Constitution does not prohibit the citizens of each State from regulating or prohibiting abortion...We hold that Roe and Casey must be overruled...We now overrule those decisions and return that authority to the people and their elected representatives**”.
- Most critical to note about this draft opinion, this report explains, is Politico revealing: “**How Chief Justice John Roberts will ultimately vote, and whether he will join an already written opinion or draft his own, is unclear**”—a revelation giving substance to the belief that this draft opinion was leaked in order to put pressure on Chief Justice Roberts.
- This is a near unprecedented leak of a Supreme Court ruling **matching the leak of its original 1973 ruling allowing abortion before it was officially published**.
- If confirmed as being truth, the leftist New York Times factually notes: “**If Roe is overturned, would abortion become illegal everywhere?...No...Individual states would decide whether and when abortions would be legal**”—and is a fact every American should already have been taught about as school children, specifically because each of the individual States that comprise America are their own separate entities allowed to make its own laws as its citizens see fit.

#### **O. Trump spoke at I-80 in Greenwood between Omaha and Lincoln, Nebraska. Below are some excerpts from his speech:**

- **The networks and the media are trying to censor us** and exclude us — and what FOX is trying to do is have Trumpism without Trump. I do not know how it will play out, but they are working hard on it.
- **Never forget that the radical Democrats want to lock you in your house** and deprive you of your freedom, while they release dangerous criminals without bail and release repeat offenders without charges.
- **The biggest threat to public health** in our Democrat—run cities is not Covid, but the Democrats' anti-crime policies.
- **Our movement** must continue to pursue a populist-nationalist economic agenda that puts working families above globalist politicians and corrupt multinational corporations.
- **No teacher** should ever have the right to teach our children a transgender agenda without parental consent. We have to save our children!

- **Last week, the Biden administration announced the creation of a so-called "disinformation steering board"** at the Department of Homeland Security, run by a fanatical leftist lunatic who tried to convince people that the Russian hoax was true, and Hunter Biden and the information about his laptop was published by Russia, which, as she knew, was false. The brazen and desperate attempts of the Democratic Party to impose censorship prove how cowardly they are. They are afraid of MAGA, and they should be terrified. When the Republicans take back Congress, the first thing we will do is stop funding this ridiculous propaganda council, fire the left-wing censors and stop their blatant violations of our First Amendment rights.

**WARNING:** Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshippers. Perpetrators giving homage to Satan appeared to be organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

**R. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:**

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims, who were witnesses and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily get away with the torture and murder of thousands of children on a regular basis.

**S. The following have been set up to report Crimes Against Children and incidents of human trafficking,** although I cannot verify as to the influence of Satanists within the organizations:

**T. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children**

*It's not about the money. It's about the children – the thousands of malnourished and traumatized children who in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.*

*The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.*

*Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>*

**U. Judy Note:** *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

*The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.*

*I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites. It is my understanding that by linking into the Safe Link Website it will generate a Non Disclosure Agreement to sign in order to obtain redemption/ exchange appointments.*

*After signing that Non Disclosure I will be unable to email, post or talk to anyone about the exchange process for at least 90 days, so I will be going silent and taking that time to get my humanitarian project organized and going.*

*This is not a goodbye. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.*

*A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.*

*Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.*

*Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy*
